### **How do I have to fill in the columns?**

\* You only have to check the things that are actually in your room or studio (so no common spaces).

Fill in one of the numbers in the column titled "Condition":

- 1 = new or almost new
- 2 = in very good shape
- 3 = some marks of damage
- 4 = in really bad shape
- 5 = broken, doesn't work anymore
- 6 = not in the room or studio

In case of numbers 3 – 5, please give a detailed description of the damage or malfunction and **add a photo of the damage.**

The column "Amount" has to be left clear.
